Fishao Pirate Cave

Pirate Cove is a location in Unturned in PEI It is a small cave found at the southern coast of PEI.. The interior of Pirate Cove Have you already unlocked the Pirate Cave on Palm Island? Here are 7 species to catch, but which one is the scariest fish in your opinion and why? Let us know in the comments.. We are giving away 3 x 50 Fish Coins (randomly) among all participants Thanks for playing FISHAO See More.. There is nothing significant about Pirate Cove, except that it spawns a few Loonies and Toonies.. However, there is a radio tower nearby, spawning ranger grade items A Police Launch can also spawn outside of the cave.
